- ## EDUCATION
  - Siksha O Anusandhan University, ITER (2021 – 2025):
    - B.Tech. in Computer Science and Engineering (CGPA: 7.82 [till 5th semester])
  - Ashoknagar Boys' Secondary School (2019 – 2021)
    - Completed 10+2 standard from WBCHSE board in science (Marks: 86.8%)

- ## PROJECT
  1. Apple India commercial website Vite + ReactJS [SoumyadipYT-OSS/AppleWebsite_Vite-ReactJS (github.com)]
     - Here I have used (Vite + ReactJS). For each page and component UI design used (.jsx) file. Javascript used for the logic building in the website. For styling used tailwind css.
     - The (.glb) file contains the 3D the model prototype. Using ThreeJS enhance it effects.

  2. Weather Mobile application in .NET MAUI with Model View Controlling
     - UI design, geolocation access as well as backend API development using packages.
     - Created an API that fetches data from real-time JSON database.

  3. SAARVE Pharmacy Ltd. Web Application in ReactJS (06/2022 – 08/2022)
     - Optimized UI components to enhance its performance.
     - Developed user interface, so user experience grows 20% in market.

- ## SKILLS
  - Languages: C++, C#, C, Python, JavaScript, TypeScript
  - Framework: .NET framework, .NET MAUI, ReactJS (Using Vite tool), ASP .NET core
  - Tools: Git Bash, GitHub, AI tool (example: Gemini, Copilot, Leonardo AI)
  - Database: Oracle SQL, Microsoft SQL server, MongoDB (basic)
  - Cloud Platforms: Google Cloud, Microsoft Azure, AWS
  - Fundamentals: Operating System, Networking, Data Structure and Algorithms

---

- ## ACHIEVEMENTS
  1. Build NLP with Azure AI (Credential Verification: 874C252BD932E66B)
  2. Build Azure AI Vision Solution (Credential Verification: 109CF906BAE2B0AB)
  3. Create ML models with Big Query ML (Machine Learning & AI skill badge)
  4. Administrator (IAM) platform building in AWS cloud with "Hashicorp" training course.

- ## CERTIFICATIONS
  1. Intelligence Document Processing with AZURE (Credential ID: BE9BF247E89A96EB)
  2. Cloud Computing (Credential ID: 757902049)
  3. AI Industrial Program [https://www.1stop.ai/verify-qrcode/0u0IlbkzZ2]
  4. Node JS Certification Program [Scaler Prep Bytes]
  5. AWS Skill Builder Learner Guide [AWS training and certification on 04/27/2024]
